Dear Mr. McDonald:

This letter responds to your correspondence of April 27, 2010 addressed to Northwest Trustee Services, Inc. Enclosed please find a true and correct copy of the Deed of Trust evidencing your obligation to repay the amount borrowed, and your agreement to pledge property as security for repayment of the loan. Until the loan is repaid, the security interest will remain in the property. Upon default in repayment, the available remedies include foreclosure.

A Qualified Written Request ("QWR") is written correspondence directed to the servicer of the loan, which includes a statement of *specific reasons* why the borrower believes that his or her account is in error. It must also provide sufficient detail to allow the servicer to review the borrower's account and determine whether there were errors made in connection with the account, and to either make appropriate corrections where errors occurred, or explain to the borrower why the account is accurate. A QWR is not a vehicle for a borrower to obtain confidential or proprietary information, nor can it be used to support a fishing expedition for documents that do not relate specifically to *servicing* of a loan.

Although your requests are overly broad, unduly burdensome, and not in conformity with 12 U.S.C. §2605, our office is communicating with the servicer for consideration of an additional response. If you have specific concerns about the foreclosure process, or would like to discuss workout options, please refrain from utilizing third-party "form letters," and contact OneWest Bank FSB directly at 800-669-2300. The terms and provisions in your loan documents remain unchanged and fully effective, and absent contrary direction from the servicer, the trustee will move forward with the property sale on May 21, 2010.

This is an attempt to collect a debt. Any information obtained will be used for that purpose.

RE: Loan Number 1009111244

Dear Mr. James McDonald:

This letter is in response to your correspondence received May 5, 2010 regarding the above referenced home loan. Although your correspondence is presented as a Qualified Written Request (QWR) the information requested is well beyond the scope of a QWR as defined in the Real Estate Settlement Procedures Act (RESPA) 12 U.S.C. 2605(e)(1)(B), and does not constitute a QWR subject to the provisions of that statute. This response is provided solely as a matter of customer service in accordance with IndyMac Mortgage Services, a division of OneWest Bank®, FSBs policy.

A QWR is written correspondence to your loan servicer stating specific reasons why you believe the servicing of your account is in error. It must also include sufficient detail to allow the servicer the opportunity to fully investigate the matter to determine if errors were made in connection with the servicing of the account. Your correspondence fails to state that you believe there are specific errors in the servicing of your account. If you have a specific loan servicing issue, such as a payment application issue or a disbursement issue, please send all inquiries to the address below with a detailed explanation as to why you feel the account is in error. IndyMac Mortgage Services, a division of OneWest Bank®, FSB, 6900 Beatrice Dr, Kalamazoo MI 49009 Attention: Research Department

A QWR is not a vehicle for obtaining information regarding the lender's general business practices, including but not limited to its operations, systems of record, servicing by a prior servicing company or business relationships. With respect to those of your inquiries which go beyond the scope of a legitimate QWR, IndyMac Mortgage Services respectfully declines to provide the information requested.

From your letter I understand you are questioning the validity of the loan referenced above. Enclosed is a copy of the Executed Note that was signed at closing showing you entered into a contractual agreement. As a courtesy a 24 month payment history has also been included to show you have acknowledged the debt, along with the most recent escrow analysis for your review.

You retained Atlas Mortgage, Inc., an independent mortgage broker, to assist you in obtaining the loan. This may have included a discussion of one or more mortgage

Atlas Mortgage, Inc. is an independent mortgage broker and was not acting in the capacity of IndyMac Mortgage Services agent and did not represent IndyMac Mortgage Services. The mortgage professional with whom you conducted your discussions regarding the proposed financing was a Atlas Mortgage, Inc. employee. He or she represented you in this transaction, prepared the settlement figures/costs and estimated your monthly escrow deposits. Please contact Atlas Mortgage, Inc. at (425) 771-2311 if you have any questions regarding any representations your loan officer may or may not have made regarding the proposed loan terms. Issues with Atlas Mortgage, Inc. cannot be resolved by IndyMac Mortgage Services.

Original documents – or at least the original promissory note and deed of trust/mortgage – are not available for inspection although if you would like to obtain a certified copy please fill out the order form enclosed.

Your letter included a request for copies of certain documents that pertain to your loan. The copies you requested can be costly, so as a courtesy we are writing you to encourage you to check your records to determine if you have retained the documents provided when your loan closed. Limiting the number of document copies you actually need from IndyMac Mortgage Services will be less expensive to you and may save time.

Please research your records and complete the enclosed order form once you have identified the document copies you still require from Indymac Mortgage Services. An example of how to fill out the order form is presented on the back of the form. Once your form is complete, please submit a check in the total amount due along with the request form to IndyMac Mortgage Services, 6900 Beatrice Drive Kalamazoo, MI 49003, Attn: RESPA Department. Upon receiving your request and payment, we will provide the desired documents to you within 30 business days of our receipt of the order form. If we do not receive the order form and payment within 30 business days, we will close this request.

IndyMac Mortgage Services respectfully declines to put a stop on your credit reporting. As IndyMac Mortgage Services is required to comply with the FCRA (Fair Credit Reporting Act) stops will not be placed on the mortgage. Re: **James MacDonald v. OneWest Bank**

Dear Mr. McDonald:

I write on behalf of Deutsche Bank National Trust Company ("DBNTC") in response to the above-referenced subpoena directed to "Deutsche Bank" dated May 13, 2011 (the "Subpoena").

Enclosed please find documents stamped CONFIDENTIAL and bearing Bates number DBNTC 00001-DBNTC 00002 containing information about the loans for James B. McDonald. Please note that DBNTC does not have any information pertaining to Form 1034 or 1036 authorizing documents to be released to OneWest, nor do we have a list of identification numbers associated with the note.

Please also note that DBNTC acted as the Custodian for several trusts, of which these loans were a part of, and DBNTC's role with respect to these trusts is very limited. Please find information below setting forth regarding the relevant trust, and the respective servicer to with whom the loan files are serviced with, and the contact for the servicer.

Please be advised that, based on DBNTC's limited role, we believe that the servicer would be more able to provide further information regarding the above-referenced loan and/or trust, if necessary.

Please call me or my paralegal, Haleh Rashidi at (904) 520-5230, if you wish to discuss this matter further. Thank you.

Sincerely,

James,

In response to your subpoena upon Freddie Mac in the referenced matter, we have determined that your loan (#332479455) was in security pool 1J1527, and was accelerated out on 2/15/10. For that pool, we have confirmed that it relates to the Offering Circular dated July 1, 2004, and Mortgage Participation Certificates Agreement dated February 1, 2001. These are the two documents we have.

The itemized costs associated with providing these documents are below. Please note that the clerical & paralegal time is kept low and not actual time to make the cost more amenable for you, and I am not including any of my time.

1. Pages (58) = \$14.50
2. Clerical / Admin. Time (30 minutes) = \$30.00
3. Paralegal Time (30 minutes) = \$82.50
4. In-House Attorney Time = 0.00

Total: \$127.00

Please forward a check in the amount indicated above to my attention payable to Freddie Mac at the following address:

Subject: Subpoena To Produce Documents in Civil Action No. C10-19529-RSL

Dear Mr. McDonald:

I have looked into what will be necessary to gather the documents responsive to your subpoena, and have also learned that there will be some costs associated with doing so because it costs us time and money to conduct document searches, compile documents and prepare them for production. Please review the following Freddie Mac guidelines for recouping costs for the production of responsive documents.

Copying and/or CD costs: Actual costs if sent to outside vendor for copying, and \$0.25 per page for documents (8 ½ x 14 and less) and/or \$25.00 per CD for documents produced in-house.

In-House Attorney's Time: \$400.00 per hour.

Paralegal's Time: \$165.00 per hour.

IT Support Time: \$165.00 per hour.

Clerical/Administrative Time: \$60.00 per hour.

Delivery Costs for Production of Documents: Actual costs are determined on level of service, volume/weight of documents (i.e., Postage/UPS and packaging or other delivery cost).

Although I cannot quote you a set price for what it will cost to gather the documents, I have been advised that it will likely range between \$100-200. However, that is not absolute. Just so you know, we do not have these documents in-house and will have to obtain them from your servicer.

If you agree to these production costs and would like to move forward, please send me a reply email as confirmation. Upon receipt of your email, we will commence the gathering the documents and follow up with a letter outlining the actual costs for the production. As a matter of policy, Freddie Mac will deliver copies of the documents upon receipt of payment for the cost of production.

Please contact me with any questions.

1. I am a Vice President of IndyMac Mortgage Services, a division of OneWest Bank, FSB ("OneWest"), Defendant herein. This Declaration is made in support of Defendants' Opposition to Plaintiff's request for Temporary Restraining Order. 1 who had personal knowledge of the event being recorded and had or has a business duty to

NWTS Response to Interrogatories

The Honorable Judge Robert Lasnik

**UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE**

JAMES MCDONALD,

Plaintiff,

v.

ONEWEST BANK, FSB, NORTHWEST
TRUSTEE SERVICES, INC., MORTGAGE
ELECTRONIC REGISTRATION SYSTEMS,
INC., INDYMAC BANK FSB, DOES 1-50,

Defendants.

No. C10-1952 RSL

**DEFENDANT NORTHWEST
TRUSTEE SERVICES, INC.'S
RESPONSE TO PLAINTIFF'S
FIRST SET OF
INTERROGATORIES AND
REQUESTS FOR PRODUCTION**

COMES NOW, Defendant Northwest Trustee Services, Inc. ("NWTS") and responds to Plaintiff James McDonald's First Set of Interrogatories and Requests for Production as follows:

I. PRELIMINARY STATEMENT

These responses are made solely for the purpose of this action. Each response and each document produced is subject to all appropriate objections (including, but not limited to, objections concerning competency, relevancy, materiality, propriety and admissibility) which would require the exclusion of any statement contained herein or in any of the documents produced, if any such document or documents were sought to be introduced into evidence in Court. All such objections and grounds are reserved and may be interposed at the time of trial.

Defendant has not completed their investigation of facts, witnesses, or documents related to this action; has not completed its analysis of available data; has not yet completed its discovery in this action; and has not completed preparation for trial. Thus, although a good faith

1 effort has been made to supply pertinent information when it has been requested, it is not
2 possible in many instances for unqualified responses to be made. Further, the responses are
3 necessarily made without prejudice to Defendant's right to produce any subsequently discovered
4 facts, witnesses, or documents, as well as any new theories or contentions that Defendant may
5 adopt. These responses are given without prejudice to Defendant's right to provide facts,
6 witnesses or documents omitted from these responses by oversight, inadvertent or good faith
7 error or mistake. Defendant has furnished information that is presently available, which may
8 include hearsay and other forms of evidence that are neither reliable nor admissible.

9 II. GENERAL OBJECTIONS

10 Each of the general objections stated below are continuing objections which Defendant
11 will incorporate into specific responses as appropriate:

12 1. Defendant NWTs objects to Plaintiff's "Instructions" and "Definitions" to the extent
13 they purport to impose discovery obligations that differ from or exceed the discovery obligations
14 imposed by the Federal Rules of Civil Procedure.

15 2. Defendant NWTs objects to the Interrogatories and Requests for Production of
16 Documents to the extent that they seek information protected by the attorney-client privilege, the
17 work-product privilege, or any other privilege, protection, or immunity applicable under the
18 governing law.

19 3. Defendant NWTs objects to the Interrogatories and Requests for Production of
20 Documents to the extent that they are overly broad, unduly burdensome, oppressive, and/or seek
21 information that is not relevant to the issues in this lawsuit or reasonably calculated to lead to the
22 discovery of admissible evidence.

23 4. Defendant NWTs objects to the Interrogatories and Requests for Production of
24 Documents to the extent that NWTs its co-defendants have already answered interrogatories and
25 requests which were identical or substantially similar.
26

1 5. These General Objections are made, to the extent applicable, in response to each of the
2 Interrogatories and Requests for Production of Documents as if the objections were fully set
3 forth therein.

4 6. Defendant NWTs responds to each of the Interrogatories and Requests for Production
5 of Documents based upon information and documentation available as of the date hereof and
6 reserve the right to supplement and amend its responses.

7 **III. SPECIFIC RESPONSES TO REQUESTS**

8 **Interrogatory 1:** Describe and explain when, why and how Northwest Trustee Services would
9 place a bid on a property at a non-judicial foreclosure sale on behalf of a party.

10 **RESPONSE:** Defendant NWTs objects to Interrogatory No. 1 on the basis that it is vague and
11 ambiguous, unduly burdensome, and is not reasonably calculated to lead to the discovery of
12 admissible evidence. Without waiving any of the foregoing objections, NWTs enters an opening
13 bid on behalf of the beneficiary and under the FHLMC bid guidelines. *See* Freddie Mac Single-
14 Family Seller/Service Guide, Volume 2, Ch. 66, Section 42.

15
16 **Request to Produce 1:** Provide copies of any documents that show Northwest Trustee Service's
17 policy on entering bids on behalf of another party.

18 **RESPONSE:** Defendant NWTs objects to RFP No. 1 on the basis that it is vague and
19 ambiguous and is not reasonably calculated to lead to the discovery of admissible evidence.
20 Without waiving any of the foregoing objections, after diligent search, NWTs is not aware of
21 any document that satisfies the foregoing request.

22
23 **Interrogatory 2:** Describe and explain Northwest Trustee Services' company policy for
24 when a homeowner, whose property is involved in a non-judicial foreclosure, notifies
25 Northwest Trustee Services that the alleged beneficiary/owner/holder of the Note is not in
26 fact the beneficiary, owner or holder.

1 **RESPONSE:** Defendant NWTS objects to Interrogatory No. 2 on the basis that it is vague and
 2 ambiguous and is not reasonably calculated to lead to the discovery of admissible evidence.
 3 Without waiving any of the foregoing objections, NWTS provides that Upon receipt of a
 4 borrower debt dispute NWTS works to fulfill its duty of good faith by researching and
 5 responding to borrower correspondence that it receives. Specifically, NWTS reviews the
 6 information in its possession and contacts the loan servicer to verify the disputed information and
 7 provides a written response to the borrower as to its finding. Where applicable, NWTS also
 8 provides supporting documents to the borrower to substantiate the information contained in the
 9 validation letter. Although NWTS would deny being a debt collector under the FDCPA, it will
 10 also validate debts based on timely disputes submitted to them.

11
 12 **Request to Produce 2:** Provide any and all documents that supports the answer to
 13 Interrogatory #2.

14 **RESPONSE:** Defendant NWTS objects to RFP No. 2 on the basis that it is vague and
 15 ambiguous and is not reasonably calculated to lead to the discovery of admissible evidence.
 16 Without waiving any of the foregoing objections, after diligent search, NWTS is not aware of
 17 any document that satisfies the foregoing request.

18
 19
 20 **Interrogatory 3:** Describe and explain Northwest Trustee Services' definition, policies,
 21 manuals, written guidelines or memorandums or any other written rules concerning the
 22 word "investor" as it relates to a mortgage note.

23 **RESPONSE:** Defendant NWTS objects to Interrogatory No. 3 on the basis that it is vague and
 24 ambiguous, is not reasonably calculated to lead to the discovery of admissible evidence, and
 25 because it is overly broad and unduly burdensome. Interrogatory No. 3 is vague and ambiguous
 26 because Plaintiff fails to define "definition, policies, manuals, written guidelines or
 memorandums" as well as "investor."

Request to Produce 3: Provide any and all documents that supports the answer to Interrogatory #3.

RESPONSE: Defendant NWTs objects to RFP No. 3 on the basis that it is vague and ambiguous, is not reasonably calculated to lead to the discovery of admissible evidence, and because it is overly broad and unduly burdensome.

Interrogatory 4: Identify the company employed by, title and job descriptions for: Vonnie McElligott, Kelly Taylor, Shelly Nejati, Rebecca Danner, Shawna Hall, Heather Casey and Huong Nhuyen.

RESPONSE: Defendant NWTs objects to Interrogatory No. 4 on the basis that it is not reasonably calculated to lead to the discovery of admissible evidence. Without waiving any of the foregoing objections, NWTs provides the following:

- ☐ Vonnie McElligott is the Foreclosure Team Manager and an Assistant Vice President of Northwest Trustee Services, Inc. She manages the foreclosure team handling the nonjudicial foreclosure of plaintiff's property.
- ☐ Kelly Taylor is the Client System Integration and Reporting Supervisor for Northwest Trustee Services, Inc. She supervises the team that updates LPS Desktop with file status, state compliance timelines, and monitors the LPS.
- ☐ Heather Casey is a Foreclosure Lead for Northwest Trustee Services, Inc. She assists the foreclosure team manager and team trainer.
- ☐ Huong Nhuyen is a Senior Reporting Specialist for Northwest Trustee Services, Inc. He manages Compliance Timelines in LPS and provides status updates in LPS.

After diligent search, NWTs is unable to identify the employer of Shelly Nejati, Shawna Hall, and Rebecca Danner.

Interrogatory 5: Describe and explain why employees of Northwest Trustee Services are shown as employees of Routh Crabtree Olsen in the LPS Notes provided in the Response Dated June 21st, 2012 to Plaintiff's Request to Produce #5.

RESPONSE: Defendant NWTs objects to Interrogatory No. 5 on the basis that it is not reasonably calculated to lead to the discovery of admissible evidence and on the basis that it is vague and ambiguous. Without waiving any of the foregoing objections, nothing in the LPS Notes provided in the responses dated June 21, 2012 identify any NWTs employees as "employees of Routh Crabtree Olsen" and employees of NWTs are not employees of Routh Crabtree Olsen. FHLMC requires that nonjudicial foreclosures on loans under which FHLMC is the investor are referred through the designated counsel program. Routh Crabtree Olsen is designated counsel for FHLMC in Washington. FHLMC recognizes NWTs as RCO's affiliated trustee who completes non-judicial foreclosures for RCO in Washington. NWTs is responsible for maintaining those files referred to RCO in LPS that are foreclosed by NWTs. *See* Freddie Mac Single-Family Seller/Service Guide, Volume 2, Ch. 66, Sections 5 and 15.

Interrogatory 6: Identify any and all services or tasks Northwest Trustee Services has provided or caused to be performed while acting as OneWest Bank's agent in relation to Plaintiff's real property and/or Note.

RESPONSE: Defendant NWTs objects to Interrogatory No. 6 on the basis that it is duplicative, is not reasonably calculated to lead to the discovery of admissible evidence, and on the basis that it is vague and ambiguous.. Without waiving any of the foregoing objections, NWTs provides that it provided or caused to be performed the following while acting as an agent of OneWest:

- Provided loss mitigation form as required under RCW 61.24 to OneWest for execution;
- Drafted, caused to be mailed and caused to be posted the notice of default;
- Drafted the assignment of deed of trust and provided to OneWest for execution;
- Draft the appointment of successor trustee and provided to OneWest for execution;

- Provided a form beneficiary declaration as required under RCW 61.24.030(7)(a) to OneWest for execution;
- Caused to be recorded the executed assignment of deed of trust; and
- Caused to be recorded the executed appointment of successor trustee.

Interrogatory 7: Explain why Federal Home Loan Mortgage Corp (Freddie Mac) would issue Northwest Trustee Services bidding instructions.

RESPONSE: Defendant NWTs objects to Interrogatory No. 7 on the basis that it is not reasonably calculated to lead to the discovery of admissible evidence and on the basis that it is vague and ambiguous. Without waiving the foregoing objections, Plaintiff should refer to The Federal Home Loan Mortgage Corporation's Single-Family Seller/Service Guide Volume 2, Chapter 66, Section 42.

Interrogatory 8: Describe and explain Stephen Routh's interest, ownership or active/passive role in the business of Northwest Trustee Services.

RESPONSE: Defendant NWTs objects to Interrogatory No. 8 on the basis that it is duplicative and is not reasonably calculated to lead to the discovery of admissible evidence. Without waiving any of the foregoing objections, NWTs provides that Stephen Routh is an owner of Northwest Trustee Services, Inc.

Interrogatory 9: Please fully identify (including: full name, all aliases and/or maiden names, present address, present employer, present work address, present job title and present direct work phone number) each person who answer these interrogatories and each person (attach pages if necessary) who assisted, including attorneys, accountants, employees of third party entities, or any other person consulted, however briefly, on the content of any answer to these interrogatories.

1 **RESPONSE:** Defendant NWTs objects to this Interrogatory to the extent it seeks material
2 covered by the attorney-client privilege and work product doctrine. Defendant NWTs also
3 objects to Interrogatory No. 9 on the basis that it is duplicative, overly broad and unduly
4 burdensome, and is not reasonably calculated to lead to the discovery of admissible evidence.
5 Without waiving any of the foregoing objections, NWTs provides the following:

7 Services; c/o Heidi E. Buck, Routh Crabtree Olsen, P.S., 13555 SE 36th St., Suite 300,
